Yevgeny Zamiatin's We is set in an urban glass city called OneState, regulated by spies and secret police. Citizens of the tyrannical OneState wear identical clothing and are distinguished only by the number assigned to them at birth. The story follows a man called D-503, who dangerously begins to veer from the 'norms' of society after meeting I-330, a woman who defies the rules. D-503 soon finds himself caught up in a secret plan to destroy OneState and liberate the city. The failed utopia of We has been compared to the works of H.G. Wells, George Orwell, and Aldous Huxley. It was the first novel banned by the Soviets in 1921, and was finally published in its home country over a half-century later. We is a part of Momentum's Classic Science Fiction series. "The best single work of science fiction yet written." - Ursula K. Le Guin

THE JURA EDITION with new introduction by Alex Massie 'For him, Jura was home' - Richard Blair on his father George Orwell 'The book of the twentieth century ... haunts us with an ever-darker relevance' - Ben Pinlot. Independent 'The greatest British novel to have been written since the war!' - Time Out 'His final masterpiece ... enthralling and indispensable for understanding modern history'! New York Review of Books The year is 1984 and war and revolution have left the world unrecognisable. Great Britain, now known as Airstrip One, is ruled by the Party, led by Big Brother. Mass surveillance is everything and The Thought Police are employed to ensure that no individual thinking is allowed. Winston Smith works at The Ministry of Truth, carefully rewriting history, but he dreams of freedom and of rebellion. It is here that he meets and falls in love with Julia. They start a secret, forbidden affair - but nothing can be kept secret, and they are forced to face consequences more terrifying than either of them could have ever imagined. In this new edition of a modern classic, Alex Massie's introduction highlights the importance that Jura had on the writing of one of the twentieth century's most important works of fiction.

'It was as if a curtain had fallen, hiding everything I had ever known,' says Anna Morgan, eighteen years old and catapulted to England from the West Indies after the death of her beloved father. Working as a chorus girl, Anna drifts into the demi-monde of Edwardian London

'A beautiful hardback edition of the bestselling story about the very hungry caterpillar by Eric Carle with an audio CD, packaged in a sturdy slipcase. Read by Eric Carle himself with both straight reading and read-along tracks with music. The read-along track has a special sound to indicate when to turn the page.

A leading expert on drug use illuminates the factors that permit some people to use such highly addictive and dangerous substances as alcohol, marijuana, psychedelics, and opiates in a controlled fashion. This cogently written work should be of interest to members of the medical community, particularly those who have contact with substance abusers, psychiatrists, sociologists, policymakers, administrators, and interested laypersons...Well worth reading. -- JAMA
George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' – Irish Times

An ode to George Orwell's "1984" told in alternating male and female voices relates the stories of Aomame, an assassin for a secret organization who discovers that she has been transported to an alternate reality, and Tengo, a mathematics lecturer and novice writer.

The first ever graphic novel adaptation of George Orwell's timeless dystopia Winston Smith, an outwardly obedient citizen of Airstrip One, dreams secretly of truth and freedom - but his rebellion will come at a terrible cost. George Orwell's dark masterpiece has enthralled readers for over seventy years. Now the dystopian world of Big Brother, telescreens, the Thought Police and Room 101 is vividly brought to new life in this first ever graphic novel adaptation, illustrated by acclaimed Filipino artist

A PBS Great American Read Top 100 Pick With extraordinary relevance and renewed popularity, George Orwell's 1984 takes on new life in this edition. "Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power."—The New Yorker In 1984, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. Lionel Trilling said of Orwell's masterpiece, "1984 is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present." Though the year 1984 now exists in the past, Orwell's novel remains an urgent call for the individual willing to speak truth to power.

George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

In addition to econometric essentials, this book covers important new extensions as well as how to get standard errors right. The authors explain why fancier econometric techniques are typically unnecessary and even dangerous.

This is a collection of classic research papers on the Dempster-Shafer theory of belief functions. The book is the authoritative reference in the field of evidential reasoning and an important archival reference in a wide range of areas including uncertainty reasoning in artificial intelligence and decision making in economics, engineering, and management. The book includes a foreword reflecting the development of the theory in the last forty years.

So Long, and Thanks for All the Fish is the fourth installment in Douglas Adams' bestselling cult classic, the Hitchhiker's Guide to the Galaxy 'trilogy'. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by Neil Gaiman. There is a knack to flying. The knack lies in learning how to throw yourself at the ground and miss. It's not an easy thing to do, and Arthur Dent thinks he's the only human who's been able to master this nifty little trick – until he meets Fenchurch, the woman of his dreams. Fenchurch once realized how the world could be made a good and happy place. Unfortunately, she's forgotten. Convinced that the secret lies within God's Final Message to His Creation, they go in search of it. And, in a dramatic break with tradition, actually find it. ... Follow Arthur Dent's galactic (mis)adventures in the last of the 'trilogy of five'. Mostly Harmless.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Longlisted for the Baillie Gifford Prize for Non-Fiction 2019 Longlisted for the Orwell Prize for Political Writing 2020 "Fascinating ... If you have even the slightest interest in Orwell or in the development of our culture, you should not miss this engrossing, enlightening book." John Carey, Sunday Times George Orwell's 1984 has become a defining narrative of the modern world. Its cultural influence can be observed in some of the most notable creations of the past seventy years, from Margaret Atwood's The Handmaid's Tale to the reality TV landmark Big Brother, while ideas such as 'thought police', 'doublethink', and 'Newspeak' are ingrained in our language. The Ministry of Truth charts the life of one of the most influential books of the twentieth century and a work that is ever more relevant in this tumultuous era of 'fake news' and 'alternative facts'. Dorian Lynskey investigates the influences that came together in the writing of 1984 from Orwell's experiences in the Spanish Civil War and in wartime London to his fascination with utopian and dystopian fiction. Lynskey explores the phenomenon the novel became when it was first published in 1949 and the changing ways in which it has been read over the decades since, revealing how history can inform fiction and how fiction can influence history. "Everything you wanted to know about 1984 but were too busy misusing the word "Orwellian" to ask." Caitlin Moran

Burmese Days

1984 Annual Report (Classic Reprint)

A selection of George Orwell's prescient, clear-eyed and stimulating writing on the subjects of truth and lies. With an introduction by Alan Johnson. 'Freedom is the freedom to say that two plus two equals four. If that is granted, all else follows.' This selection of George Orwell's writing, from both his novels and non-fiction, gathers together his thoughts on the subject of truth. It ranges from discussion of personal honesty and morality, to freedom of speech and political propaganda. Orwell's unique clarity of thought and illuminating scepticism provide the perfect defence against our post-truth world of fake news and confusion. 'The further a society drifts from the truth, the more it will hate those that speak it.' Includes an introduction by Alan Johnson and passages from Burmese Days, The Road to Wigan Pier, Coming Up for Air, The Lion and the Unicorn, Animal Farm, Nineteen Eighty-Four, Orwell's letters, war-time diary, criticism and essays including 'Fascism and Democracy', 'Culture and Democracy', 'Looking Back on the Spanish War', 'As I Please', 'Notes on Nationalism', 'The Prevention of Literature', 'Politics and the English Language' and 'Why I Write'.

One man struggles to save his family and his small North Carolina town after America loses a war in one second, a war based upon an Electro Magnetic Pulse (EMP) weapon that will send America back to the Dark Ages.

Everybody Loves a List but this is a list of major ambition: namely, to select the best 100 novels in the English language, published from the late 17th century to the present day. This list has been built up week by week in The Observer since September 2013, and selected by writer and Observer editor Robert McCrum. With a short critique on each book, this is a real delight for literary lovers.

Two modern classics in one volume.

A chilling look at the near future presents the story of Offred, a Handmaid in the Republic of Gilead, once the United States, an oppressive world where women are no longer allowed to read and are valued only as long as they are viable for reproduction. 25,000 first printing.

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on Lord of the Flies by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Excerpt from Our Mountain Work, 1984, Vol. 85 The long month of January is now behind us, and we turn hopefully to thoughts of Spring and continuation of the many and varied tasks before us as we labor together for our Lord in the women's organization as an integral part of the total work of the Church. We are well into the Witness Season as this is written, with Sun day, February 19 designated as the day for Witness Season Offering. I trust that all local woc organizations have emphasized this special time with programs, speakers and various other ways in presenting the importance of witnessing and missions in our local Church as well as throughout the world. Roy and Silo are just like the other penguin couples at the zoo - they bow to each other, walk together and swim together. But Roy and Silo are a little bit different - they're both boys. Then, one day, when Mr Gramzay the zookeeper finds them trying to hatch astone, he realises that it may be time for Roy and Silo to become parents for real.

Completely revised and updated to include the most up-to-date selections, this is a bold and bright reference book to the novels and the writers that have excited the world's imagination. This authoritative selection of novels, reviewed by an international team of writers, critics, academics, and journalists, provides a new take on world classics and a reliable guide to what's hot in contemporary fiction. Featuring more than 700 illustrations and photographs, presenting quotes from the authors, and a new introduction revised for 2012, this is the ideal book for everybody who loves reading.

George Orwell was a much-respected English novelist, who wrote some of the finest pieces in literary criticism, fiction. Orwell's work is known for its simplicity and wit. He wrote with smartness on subjects such as anti-fascism, democratic socialism etc. His best works include "ANIMAL FARM". It's an allegorical novella. It got published in August 1945. The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Snowball), ducksling, sheep and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on "the nature of life on this earth" and "How any animal is now living". The author has nicely elaborated through these Characters about the animals' misery and slavery. Animals complain that despite their hard labour, why then do they continue in the miserable condition? They also complain about human beings that they use to steal nearly the whole of their production from the scene and the root cause of hunger and overwork will be abolished for ever. The book narrates about the agony of ill-treated farm animals. Then what decision they take and how this Animal Farm born, everything has become very interesting. The ultimate satire on fascism. A must-read book. Fahrenheit 451

The Ministry of Truth

A Biography of George Orwell's 1984

The Handmaid's Tale

"Coming Up for Air" is the seventh book by English writer George Orwell, published in June 1939 by Victor Gollancz. It was written between 1938 and 1939 while Orwell spent time recuperating from illness in French Morocco, mainly in Marrakesh. He delivered the completed manuscript to Victor Gollancz upon his return to London in March 1939. The story follows George Bowling, a 45-year old husband, father, and insurance salesman, who foresees World War II and attempts to recapture idyllic childhood innocence and escape his dreary life by returning to Lower Binfield, his birthplace. The novel is comical and pessimistic, with its view that speculative builders, commercialism, and capitalism are killing the best of rural England and the existence of new, external threats.

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.
