

Dark Days (Apocalypse Z Book 2)

This long-awaited sequel to the bestselling *Zombie Apocalypse!* is once again a 'mosaic novel' which weaves together contributions from big-name horror writers in the form of essays, reports, letters, official documents and transcripts to create a coherent and compelling narrative. In volume one old-school, flesh-eating zombies spread 'The Death' around the world. Now, the fightback begins. Praise for *Zombie Apocalypse*: Clever, gruesome, poignant and pacy . . . it's hard to avoid this book's clutches - much like the shambling corpses that fill its pages. *Financial Times*. 'An innovative, collaborative venture.' *The Bookseller*. 'Moving, funny, terrifying and strikingly original.' *SFX*. Shaun Mason is a man without a mission. Not even running the news organisation he built with his sister has the same urgency as it used to. Playing with dead things just doesn't seem as fun when you've lost as much as he has. But

when a researcher from the Centre for Disease Control fakes her own death and appears on his doorstep with a ravenous pack of zombies in tow, Shaun's relieved to find a new purpose in life. Because this researcher comes bearing news: the monster who attacked them may be destroyed, but the conspiracy is far from dead. Now, Shaun hits the road to find what truth can be found at the end of a shotgun.

As the rules of civilization crumble, a lawyer, a pilot, and a nurse become comrades-in-arms in the fight against extinction.

Meticulously researched and vigorously detailed this important survival manual is the most detailed and up-to-date book you will find to keep you and your family safe during the Zompoc (Zombie Apocalypse). This book is unique in its coverage of all Zombie strains from the viral infected fast zombies through to the shambling re-animated undead. All subjects from zombie identification, first-aid, escape techniques, household defence, combat techniques and raiding through to bartering, supplies, vehicle modification, weapons and convoy

structure are all covered in great detail. With this book you can prepare for the day the Zompoc strikes and be ready to fight back and eradicate the Zombie menace from our streets. This book is illustrated throughout and even contains full plans and instructions for a post-Zompoc rebuilding of civilisation!

An 'After-the-Bomb' story told by teenage Danny, one of the survivors - one of the unlucky ones. Set in Shipley, an ordinary town in the north of England, this is a powerful portrayal of a world that has broken down. Danny not only has to cope in a world of lawlessness and gang warfare, but he has to protect and look after his little brother, Ben, and a girl called Kim. Is there any hope left for a new world?

A "mosaic novel" set in the near-future, when a desperate and ever-more controlling UK government decides to restore a sense of national pride with a New Festival of Britain.

However, controversial plans to build on the site of an old church in South London releases a centuries-old plague that turns its victims into flesh-hungry ghouls whose bite or scratch passes the contagion on to others. Even worse, the virus may also have a supernatural origin with the power to revive the dead. Despite the attempts of the police, the military and those in power to understand and contain the infection commonly referred to as "The Death", it soon sweeps across London, transforming everyone who comes into contact with it. With the city - and the country - falling into chaos, even a drastic attempt at a "Final Solution" to eradicate the outbreak at its source fails to prevent it from spreading to Europe and then quickly throughout the rest of the world. Soon there is no more news coming out of Britain . . . and it is up to those survivors in other countries to confront the flesh-eating invaders within their midst. Will humanity triumph over a world-wide zombie plague, or will the walking dead ultimately inherit the Earth? Told through various disparate and overlapping eye-witness accounts, through texts, e-mails, blogs, letters, diaries, transcripts, official reports and other forms of communication, a picture builds up of a world plunged into chaos - where the dead attack the living, and only one of them can be the

ultimate victor. Written by some of the biggest and best-known names in horror and science fiction, these interconnected narratives create a unique vision of the End of the World brought about by a plague that may have its origins in both science and the occult. Praise for Stephen Jones: 'Horror's last maverick.' - Christopher Fowler 'Stephen Jones . . . has a better sense of the genre than almost anyone in this country.' - Lisa Tuttle, The Times Books 'The best horror anthologist in the business is, of course, Stephen Jones.' - Roz Kavaney, Time Out 'Edited by Stephen Jones, a member of that tiny band of anthologists whose work is so reliably good that you automatically reach out and grab hold of any new volume spotted if you are wise.' - Gahan Wilson, Realms of Fantasy 'One of the genre's most enthusiastic cheerleaders.' - Publishers Weekly

An Afrikaner crime reporter returns home to face the evil and complex legacy of South African apartheid in “a witness-bearing act of the rarest courage” (Michael Kerr). Rian Malan’s classic work of reportage, *My Traitor’s Heart* is at once beautiful, horrifying, and profound in ways that earned him comparisons to Michael Herr and Ryszard Kapuściński and inspired the London Times to call him “South Africa’s Hunter S. Thompson.” An Afrikaner, Malan is the scion of a

centuries-old clan deeply involved in the creation of apartheid. As a young crime reporter, he covered the atrocities of an undeclared race war and ultimately fled the country, unhinged by what he had seen. Eight years later, he returns to confront his own demons, and those that are tearing his country apart. With unflinching candor, Malan explores the grizzly violence and perverse rationalizations at the root of his nation's identity. Written in the final years of apartheid's bloody collapse, *My Traitor's Heart* still resonates, offering a "passionate, blazingly honest testament" to the darkest recesses of the black and white South African psyches. "Those who read it will never again see South Africa the same way" (Los Angeles Times Book Review). After a zombie plague infects most of the world, the residents of a New York City apartment building, who have escaped infection, fight among themselves until they spy an uninfected teenage girl outside, not getting attacked.

the zombie plague in Gulfport, Mississippi, but the price of safety is subservience to a fascist dictator and his brutal enforcers.

Survival is just the beginning... As if living in a zombie-infested world wasn't bad enough, Dr. Tara Lee and her companions reach Fort Detrick only to discover that for some betrayal is second nature. Having thwarted Lieutenant King's attempted coup, they believe the worst is finally behind them. They couldn't be more wrong. Danger lurks in the shadows. Biding his time, Lieutenant King launches an audacious attack abducting Tara and Amy, and leaving Alex on the brink of death. Captured and isolated from friends and family, Tara and Amy have only each other to rely on. Can they escape and find their way back home? Or will they become pawns in a struggle for power? leads the group through a white-knuckle race, only to be shockingly confronted with the most exhilarating conundrum of her life in a mind-blowing adventure with a Deja Vu-like twist. Blood-craving cadaverous creatures crawl from the cracks and crannies of crumbling cities, crippling the crew's chances to complete their quest. This is a story about the power of the human spirit, illuminating the dark path of trials and turbulences which in the end emerges victorious only to face another challenge.

Prehistoric beasts merge with nightmare visions of the future in this thrilling conclusion to the Z. Rex trilogy. Reunited with the savage unpredictable T. Rex, Zed, fourteen-year-old Adam must team up with some unlikely allies to battle against villainous scientists and their killer creations. If they do not win, the ultimate apocalypse will be unleashed upon humanity . . .

A Zombie Apocalypse Survival Guide

For fans of The Walking Dead, Dawn of the Dead, and all things zombie comes your next obsession, a thrilling series that you won't want to end! This is book 1 in the Dangerous Days Series and packs a serious apocalyptic punch. Humanity falls... Trapped in the shower by her undead husband, Morgan prays for rescue but quickly realizes she's on her own. She escapes, only to find that the horror has spread and now threatens everything she holds dear. With each passing moment, death becomes more certain. Logan returns to his childhood home and teams up with Max, an army deserter racing against the clock to save his family. When the infection outruns them, they face the real possibility that everyone they know is already dead. Or worse, undead. All it takes is one mistake... As the sun sets against the backdrop of the African veldt and living nightmares walk the streets in the shape of their loved one's bodies, humanity's last hope rests in the hands of ordinary men and women called to do extraordinary things. Buy Now!

A motley band of unlikely heroes struggles to stay alive in a world irrevocably changed by a virus that unleashes the destruction of all humanity. Some live; some die, but they all fight to survive as everything they love is overrun by ravenous, zombie hordes.

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival.

Adam Adlar is alone in an isolated apartment building wondering why his scientist dad hasn't been able to get home for over a week . . . Even he doesn't want to play computer games alone for ever. Z Rex is a living, breathing, man-eating dinosaur who has been brought to life by Adam's dad. He can talk, think - and kill. And, he has no idea why he's here. Zed wants answers, and Adam's dad has them . . . When Adam encounters Z Rex his first thought is to flee. But Z Rex is actually the closest Adam has to a friend in this new and terrifying reality. Can boy and dinosaur work together to defeat the evil forces ranged against them? A fast-paced, exciting thriller that will take bestselling *Astrosaurus* author, Steve Cole, to an older audience. *Jurassic Park* meets *Alex Rider*!

When the zombie apocalypse comes, it's not just

those crusty old folks who will struggle against the undead, it's the young people. What happens when you come of age during the zombie apocalypse? Z: Zombie Stories has the answer to that question. Z: Zombie Stories gathers together some of the hottest zombie fiction of the last two decades, from authors including Kelly Link, Jonathan Maberry, and Catherynne M. Valente. These stories focus on those who will inherit a world overrun with the living dead: a young man who takes up the family business of dealing with the undead, a girl struggling with her abusive father...who has become a zombie, a poet who digs up the wrong grave, and a Viking maiden imprisoned with the living dead... Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

February, 2031: The global population now stands at an estimated 400 million, and every survivor bears the scars of humanity's decade-long struggle to defeat an enemy few believed could exist. Some nations have emerged from the war stronger than ever. Others still struggle to survive. Some no longer exist at all. In the aftermath of the zombie pandemic Keith Taylor, noted pre-war author of apocalyptic

fiction, traveled the world to gather the first hand accounts of survivors from every walk of life, culture and strata of society, ranging from American political leaders to British journalists to Mongolian miners to members of India's homeless underclass. Together these chilling interviews describe the course of humanity's most brutal war, leading from the initial emergence of the virus in the Siberian wilderness to the visceral, heart-rending Shibuya footage, through the confusion of the US President's impeachment to the unintended and disastrous consequences of the UN's sweeping refugee amendment, and ending with us battered and broken, diminished but not defeated, in the fragile peace we now enjoy. Together these accounts represent the most illuminating and complete commentary to date of humanity's loss. From these candid interviews emerges an image of early 21st century civilization as it truly was: imperfect, fragmented and wholly unprepared for a disaster on such a scale. This is the Way the World Ends takes an unflinching, uncompromising look at the world we had and lost; a look at the pain we suffered due to our inability to accept a single, simple truth: Zombies are real. Note: Readers who lived through the pandemic may find the interviews contained within this collection distressing. Discretion is advised.

The highly anticipated follow-up to the international bestseller, The Raw Shark Texts
It's been three long years since Deadbreak. That's what everyone's calling it - the day the dead rose. Every day since then Jeremiah Reid has had one goal: to make his way to his daughter. It's a new world out there and no one is safe. People are meaner, cities

are in ruin, supplies are scarce. If he's going to have a chance he'll need his wits, a little bit of luck, and lots of ammo.

****New York Times bestseller!*** 'A masterpiece . . . There cannot be a more relevant novel for our moment, certainly not one with such beauty of description, depth of feeling, and, as always, humour.' -Andrew Sean Greer, Pulitzer Prize-winning author of Less It's March 2020 and a calamity is unfolding. A group of friends and friends-of-friends gathers in a country house to wait out the pandemic. Over the next six months, new friendships and romances will take hold, while old betrayals will emerge, forcing each character to reevaluate whom they love and what matters most. The unlikely cast of characters includes a Russian-born novelist; his Russian-born psychiatrist wife; their precocious child obsessed with K-pop; a struggling Indian American writer; a wildly successful Korean American app developer; a global dandy with three passports; a Southern*

flamethrower of an essayist; and a movie star, the Actor, whose arrival upsets the equilibrium of this chosen family. Both elegiac and very, very funny, Our Country Friends is the most ambitious book yet by the author of the beloved bestseller Super Sad True Love Story.

How would you survive the Dead Days? Episode Four of Dead Days picks up right after the nail-biting breach of the Chinese restaurant. With their stronghold threatened, the group must pull together and make some difficult decisions if they are to survive the onslaught of creatures -- and fast. Struck with loss and on the brink of defeat, can the group fight their biggest threat yet and fortify their keep? Or is it time for them to try their luck on the savage and unpredictable open road where even the elements pose a threat? Dead Days is a truly unmissable slice of zombie serial fiction, and Episode Four is the most thrilling and action packed to date. Buy now and join Riley as his journey through the new world grows trickier and trickier by the page...

Murder is only the beginning for Banks and his team . . .

The gruesome double murder at an Eastvale property developer's luxury home should be an open and shut case for Superintendent Banks and his team of detectives.

There's a clear link to the notoriously vicious Albanian mafia, men who left the country suspiciously soon after the death. Then they find a cache of spy-cam videos hidden in the house - and Annie and Gerry's investigation pivots to the rape of a young girl that could cast the murders in an entirely different light. Banks's friend Zelda, increasingly uncertain of her future in Britain's hostile environment, thinks she will be safer in Moldova hunting the men who abducted, raped and enslaved her than she is Yorkshire or London. Her search takes her back to the orphanage where it all began - but by stirring up the murky waters of the

past, Zelda is putting herself in greater danger than any she's seen before. And as the threat escalates, so does the danger for Banks and those who love Zelda . . . 'The master of the police procedural' Mail on Sunday 'The Alan Banks mystery-suspense novels are the best series on the market. Try one and tell me I'm wrong' Stephen King

How to Survive a Zombie Apocalypse

On the Beach

A Post-apocalyptic Action Thriller

Survival is just the beginning...

Dylan, hotheaded and fiery, finds

herself on the wrong side of the clock

when she's infected with the Vita

virus. Doomed to turn into a flesh-

eating zombie, she only has 72 hours to

find a cure. The countdown has begun.

In a race against time, she sets off on

a desperate journey through the zombie-

infested country. But the undead aren't

the only dangers she'll face in her bid

to find a remedy to the disease that's

already begun to eat away at her

sanity. Can she save herself before

it's too late? Book 1 of a thrilling

new post-apocalyptic series, Apocalypse

Z. Hold on to your seat because this is

going to be one hell of a ride! Grab

your copy now!

Vicky, Rhys, Larissa, and Flynn have

avoided the horde of diseased that

chased them from Summit City, but

they're far from free. Although the

diseased can't get to them while they remain on top of the shipping container, at some point they'll have to come down. With a sea of enraged monsters as far as they can see, coming down means certain death. Exhausted from their escape, they may be able to rest for now, but sooner rather than later, they're going to have to take action to get themselves out of their current predicament ... Reviews 5 stars - You took a zombie non-believer and got her to read and love not one, but 4 zombie apocalypse books. - Amazon customer 5 stars - Keep up the great work Michael! I can't wait to read number 5!!! - Amazon customer 5 stars - This is one of my favorite's by Michael Robertson and I cant wait for the next installment. - Amazon customer.

Depicts the zombie apocalypse through the journal of a member of the military and descriptions of the other survivors he meets in the fourth book in the series following Origin to Exile and Beyond Exile. Original. 75,000 first printing.

Jason wakes up in a mysterious world of magic and monsters.It's not easy making

the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are evil. He'll face off against cannibals, cultists, wizards, monsters...and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants. After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, He Who Fights with Monsters is now available on Kindle. It's perfect for fans of Pirate Aba, Dakota Krout, and Luke Chmilenko.

Dark Days

World War Z: The Art of the Film

Last Another Day

After a tragic car accident shatters her body and mind, Cassandra struggles to piece together her life as a respected psychiatrist and devoted mother. But the

accident has changed her. Her eyes have been opened to horrors she never knew existed. Is her family really under attack, or is it all in her mind? While Cassandra tries to prove the feeling of being stalked, her police-investigator husband, Daniel, hunts a killer of his own. As both the body count and Cassandra's hysteria rise, Daniel becomes obsessed with the case and suspicious of Cassandra's part in it. Afraid of losing her increasingly fragile grip on reality, Cassandra plunges into a search for answers that may come at the cost of her sanity. Racing to a shattering confrontation with an evil she can barely comprehend, Cassandra must decide: How far will she go, what darkness will she embrace, to save those she loves?

A 20th anniversary edition of this million copy bestseller, with a new introduction by John Niven: a classic story of paradise found - and lost. Richard lands in East Asia in search of an earthly utopia. In Thailand, he is given a map promising an unknown island, a secluded beach - and a new way of life. What Richard finds when he gets there is breathtaking: more extraordinary, more frightening than his wildest dreams. But how long can paradise survive here on Earth? And what lengths

will Richard go to in order to save it? The original bestselling cult classic that started the modern zombie phenomenon. Don't be reckless with your most precious asset - life. This book is your key to survival against the hordes of undead who may be stalking you right now without your even knowing it. The Zombie Survival Guide offers complete protection through proven tips for safeguarding yourself and your loved ones against the living dead. It is a book that could save your life. Drawing from reams of historical data, laboratory experiments, field research, and eyewitness accounts, this comprehensive guide is the only book you'll need to face the greatest challenge mankind has ever encountered. Ignorance is the undead's strongest ally, knowledge their deadliest enemy. Personal choice and the will to live is paramount when the dead begin to rise. The choice is yours. AUTHOR: Max Brooks is the bestselling author the prescient *Zombie Survival Guide: Complete Protection from the Living Dead* as well as the graphic novel *Recorded Attacks* and the blockbuster film starring and directed by Brad Pitt *World War Z*. He has received hundreds of awards and honorary degrees from around the world for his hugely successful zombie franchise.

Survival is just the beginning... After a dangerous cross-country journey through the post-apocalyptic United States, Saul and his companions reach Fort Detrick only to find it infested by the living dead. If they are to have any hope of creating a cure they must take back the facility one bloody floor at a time... The war for humanity's future has just begun. In the aftermath of the zombie apocalypse, humankind has been pushed to the brink of extinction. For the few remaining survivors, each day is a test of survival. Can they fight back or will they fall prey to the relentless undead hordes? Book three of a thrilling new post-apocalyptic series, Apocalypse Z. Hold onto your seat because this is going to be one hell of a ride! Grab your copy now!

The Alpha Plague

Z: Zombie Stories

"On the Beach" is a 1957 post-apocalyptic novel written by British-Australian author Nevil Shute after he emigrated to Australia. The novel details the experiences of a mixed group of people in Melbourne as they await the arrival of deadly radiation spreading towards them from the northern hemisphere following a nuclear war a year previously. As the radiation approaches each person deals with their impending death in different ways.

Believing herself to be the only survivor of a nuclear war, Ann Burden greets a wandering stranger with excitement and suspicion. An ALA Notable Book & ALA Best Book for Young Adults. Reprint.
