In 2006, in celebration of our 25th anniversary, we brought Schroeder's Antiques Price Guide to you for the first time in full color. It was so successful, we decided to keep that format from year to year, and once again are bringing it to you in full color. It still contains over 50,000 listings from reliable sources, more than 500 categories from Advertising to Zsolnay, histories and pertinent facts, and representative full-color photographs. This year's edition will start shipping in August 2008 and is guaranteed to maintain its #1 bestselling status both at Collector Books and across the country. Dealers throughout the

U.S. rave annually about Schroeder's, saying it just keeps getting better and better. Undoubtedly this year's edition will be the best! You will be pleased it has kept its new look, and even happier that it is available at one of the lowest prices you'll find for general antiques guides.

How can managers analyze their current and future business strategies? This textbook introduces the fields of business analysis and strategic management to provide students with an understanding of the key questions that need to be asked to understand an organization's options. The second part of the book provides tools and techniques to help organize and improve corporate strategy. Uniquely, the authors provide resources to assess aspects of strategic goals which are sometimes overlooked such as financial performance, ethical and environmental considerations and business models. They cover a diverse range of companies from Supermarkets like Aldi and Tesco to Caermory Whiskey and Chinese manufacturing. This textbook is perfect reading for students who want to apply strategic thinking to organizations and benefits from the inclusion of new case studies throughout the text as well as 10 extended cases in a separate section.
