The humiliation of it all excited me, but when my wife learns of my secret obsession, she decides she has to take control of the situation.

This collection contains explicit scenes of erotica and is not suitable for minors. The best part about having a cuckold for a husband is the total absence of jealousy in the marriage. A wife can stay out as late as she wants and bed whoever she likes; her husband will only smile with love and gratitude. This collection is dedicated to perfect cuckold marriages. Featuring wives taking new lovers for the first time; husbands devoted only to her pleasure; and all the big, thick, hard bulls you can handle! Why don't you let your wife have fun too? Leading Dominatrix and BDSM expert Alicia Zadig takes you on a provocative, eye-opening journey into the erotic world of Female Domination and male submission. Zadig explains the psychology behind male submission and answers the question: Why do men crave surrendering to a dominant woman? Hear from the men themselves as they reveal their most intimate desires. Learn why so many secretly fantasize about being dominated by a woman. Delve into their experiences with Dominatrices and see what keeps them coming back for more. Yes, Mistress shines a spotlight on the everyday men who seek to explore their submissive fantasies—an aspect of sexuality that often goes unacknowledged, despite a long history and deep psychological roots. Set at the crossroads of psychology, culture, history, and media, this book challenges society's perception of BDSM, kink, and fetish. Male submission is more common than you think—and more rewarding than you can imagine!

Why Men Crave Female Domination

*Some men just aren't satisfied with their women the way they need it, and when it comes down to losing their woman or sitting by while she ventures elsewhere, the cuckolds in these 13 erotic stories are forced to ponder their newfound role in the relationship. Some are humiliated by how excited they are to watch, and others are more than happy to share as long as they keep their wife happy! I cheated on my husband with my boss. I couldn't resist - he was younger and so much better looking, with a perfect muscular body, and a massive, throbbing dick that was so much bigger than my husband's. I wasn't good at keeping secrets, and I felt guilty, so I confessed to my husband. Much to my surprise, he was turned on by my confession, and he told me he wanted me to do it again... With him watching, I went into the office with my husband and let my boss BREED me with his huge shaft while my husband watched and jerked himself off like some kind of pervert. I couldn't believe my husband wanted to be a cuck, but I guess it was his fantasy. And if it made him happy to be a cuckold, then I was happy too. Plus, I thought it might help spice up our sex life... But most importantly, it just felt so damn good to be screwed by my hot, naughty boss... It especially felt good when he finished inside me.*

*After returning home a day early from a business trip, a husband catches his wife fucking a mutual friend of theirs who was also a married family man. As quietly as possible, he films the two in action and decides to take it over and show the man's wife. Stunned by this, they both concoct a revenge plan that would force the cheating husband into watching them. The next morning, she forces him to hide in the closet until the husband gets home. Before doing so, he sets a camera and tripod up in front of the bed. After following a trail of roses into the bedroom, she ties her husband up, leading him on to believe she is doing this for him. Then, the other man reveals himself, pushing the record button on the camera and begins to undress his wife right before his very eyes. After a long oral session and commanding the cuckold husband to sit and watch in silence, the other man begins fucking his wife in multiple positions, giving her the best sex of her life. After finishing up by covering her face in his very own cum, he leaves and has the recording transferred onto a DVD, labeled "Wedding." He drops it off to his own wife - who's still unaware that he saw her cheating on him the night before - and leaves.*

This cuckold bundle, stuffed full of bulls impregnating wives while their husbands pathetically watch, contains the following stories: Forced To Watch Suspicions about his girlfriend, Natalie, come to a head when Isaac gets the chance to check her phone just before she leaves for a night out. There's a shock when he finds a Tinder contact on it, but he says nothing about the fact she may be cheating on him. Her story about meeting one of her friends for a drink suddenly rings hollow though, and he follows her when she leaves to find her meeting her Tinder date in a quiet bar. When a second man appears, his shock grows and he ducks into the dark alley beside the bar when he sees them leaving. That leaves him in prime position to watch the whole thing as he is cuckolded by two men using his girlfriend in a back alley encounter. Violated By The Gangsters One wife, five mobsters, and a husband who can do nothing but watch as she is taken in every way possible. Chris owes a lot of money to a lot of dangerous people. When they come to collect and he comes up short, his luck has run out. The only thing that saves him is his loving wife, who is willing to pay them in other ways... This extreme cuckold erotica contains themes of a pathetic husband being punished for his laziness by both his wife and the mobsters! One Shy White Wife, Four Big Black Men This is an explicit erotic romance, with themes of cuckolding and four black men who can barely fit in a man's willing white wife. When her husband asks her to watch a salacious cuckold video, Helen realizes that the fantasy she had always held as her deepest secret was a possibility. They hesitantly decide to go to their local bar and see how they feel about their fantasies becoming reality, and the normally reserved and quiet Helen is ready and willing to flirt with anyone, as she is gripped with a brand new feeling. The group of black men at the bar are more than willing to give the young, innocent white girl all the attention she needs, and then some. What starts as a tentative trial run turns into an extreme introduction when they head back to their house, and the husband can only watch as his wife is manhandled right in front of him in his own home - and that's just the beginning.
