This is a challenge worth taking.**

**Symptoms of the Caged Soul The body of man is world-conscious. It is through it that human beings relate with each other. The soul of a man is the seat of his intellect, will and emotions; it is self-conscious. It is through the soul that a man knows that he is bold, weak, strong, intelligent and that he is different from any other person. This soul can be caged to the detriment of man. The legs are the symbol of movement and it means that if the legs are tied spiritually, it does not mean that the person will not move around but that person will not make any progress. If the hands of a person are tied spiritually, the person could be beating drums and fighting all about or cook, nothing good will come out of it. The hands in the spirit represent a person's labour; or handiwork. Rare knowledge awaits you as you read this book.*
