of fame from past 50 years and in the future too, i.e. Real Estate Investing.

On January 18, 1980, the price of silver had rocketed upward by 724% in less than a year, from \$6 to \$50 an ounce. So high in fact, that people formed long lines to cash in their silver at local coin and pawn shops. Ladies were selling their tea sets, families were hocking their silverware and coin collectors were cashing in their collections. As dramatic as that sounds, leading experts today think silver could dwarf that 1980 event. They are calling this the opportunity of a lifetime. Yet today, the public is unaware of silver's potential value, and the forces that could propel it to great heights. But after reading this book you'll be ahead of the crowd. You'll know how to turn those forces to your financial advantage and opportunity. And we'll show how silver can also preserve your

wealth by protecting you from the ravages of inflation and the devaluation of our currency. And provide financial disaster insurance too. And you get all of these benefits for free, while poised for a great profit in the future. Which means silver is a great tool to protect your investment portfolio and build a more secure financial future for you and your family. Here's what you'll discover in Silver Investing For Beginners...*

- * Why the price of silver could explode in the future.*
- * Why silver offers greater profit potential than gold.*
- * How silver could help protect you in a financial crisis.*
- * How to find and buy your first silver bullion.*
- * The best silver coins to invest in when you start.*
- * How you can even open an automated silver buying account.*
- * How to invest in silver related stocks and funds.*

And how to protect your silver investments. And it will describe all of this for you in simple terms you already understand. Not

According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the
