

I Am Rosa Parks Ordinary People Change The World

An adventure-filled retelling based on an episode from the PBS KIDS television series *Xavier Riddle and the Secret Museum* starring Harriet Tubman. Based on the children's book series *Ordinary People Change the World* by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, the series introduces kids to inspiring historical figures and the character virtues that helped them succeed. Brad, Xavier, and Yadina need help deciding who the best superhero ever was. Luckily, Berby and the Secret Museum know just where to send them: back in time to meet Harriet Tubman, one of the leaders of the Underground Railroad. This episode-based 8x8 will focus on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves.

"A biography of Neil Armstrong, the first man to walk on the moon"--The 22nd book in the New York Times bestselling series of biographies about heroes tells the story of Anne Frank, the young Jewish girl who documented her life while hiding from the Nazis during World War II. This engaging biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live

heroically themselves. Each book tells the story of an icon in a lively, conversational way that works well for the youngest nonfiction readers. At the back are an excellent timeline and photos. This volume features Anne Frank, whose courage and hope during a time of terror are still an inspiration for people around the world today. While Anne and her family hid in an attic during the Holocaust, she kept a journal about all her hopes and fears and observations. That journal and the story of her life are still read and told today to remember the life of a young girl and warn against the consequences of bigotry. "A biography of Walt Disney with a focus on his work making dreams come true for himself and for generations of children"--

If a Bus Could Talk

The Ride to Civil Rights

An Incomplete Compendium of Mostly Interesting Things

I am Rosa Parks

So Other People Would Be Also Free

For use in schools and libraries only. A biography of the African American woman and civil rights worker whose refusal to give up her seat on a bus led to a boycott that lasted more than a year in Montgomery, Alabama.

Acces PDF I Am Rosa Parks Ordinary People Change The World

The story of the bus--and the passengers who changed history. Like all buses in Montgomery, Alabama, in the 1950s, bus #2857 was segregated: white passengers sat in the front and black passengers sat in the back. Bus #2857 was an ordinary public bus until a woman named Rosa Parks, who had just put in a long day as a seamstress, refused to give up her seat to a white passenger. Her arrest sparked the Montgomery Bus Boycott, a major event in the Civil Rights moment, led by a young minister named Dr. Martin Luther King, Jr. For 382 days, black passengers chose to walk rather than ride the buses in Montgomery. From the streets of Montgomery to its present home in the Henry Ford Museum, here is the remarkable story, a recipient of the Crystal Kite Award, of a bus and the passengers who changed history. Advocate for peace and nonviolent revolutionary Gandhi is the 12th hero in the New York Times bestselling picture book biography series for ages 5 to 8. As a young man in India, Gandhi saw firsthand how people were treated unfairly. Refusing to accept injustice, he came up with a brilliant

Acces PDF I Am Rosa Parks Ordinary People Change The World

way to fight back through quiet, peaceful protest. He took his methods with him from South Africa back to India, where he led a nonviolent revolution that freed his country from British rule. Through his calm, steady heroism, Gandhi changed everything for India and inspired civil rights movements all over the world, proving that the smallest of us can be the most powerful. This friendly, fun biography series inspired the PBS Kids TV show Xavier Riddle and the Secret Museum. One great role model at a time, these books encourage kids to dream big. Included in each book are:

- A timeline of key events in the hero's history
- Photos that bring the story more fully to life
- Comic-book-style illustrations that are irresistibly adorable
- Childhood moments that influenced the hero
- Facts that make great conversation-starters
- A character trait that made the person heroic and that readers can aspire to

You'll want to collect each book in this dynamic, informative series! How special and inspiring to read about Rosa Park's life in her own words! This BIOGRAPHY READER is now available in

Rosa Parks Takes the Bus

The First Counsel

"Teachers will welcome [this treatment of]...a simple, clear biography of Rosa Parks...The male narrator reads clearly and unemotionally, presenting the facts as Adler reports them...A good addition to collections." - School Library Journal

It's an irresistible combination: Brad Meltzer, a born storyteller, counting down the world's most intriguing unsolved mysteries. And to make this richly illustrated book even richer, each chapter invites the reader along for an interactive experience through the addition of facsimile documents—the evidence! It's a treasure trove for conspiracy buffs, a Griffin and Sabine for history lovers. Adapted from Decoded, Meltzer's hit show on the HISTORY network, History Decoded explores fascinating, unexplained questions. Is Fort Knox empty? Why was Hitler so intent on capturing the Roman "Spear of Destiny"? What's the government hiding in Area 51? Where did the Confederacy's \$19 million in gold and silver go at the end of the Civil War? And did Lee Harvey Oswald really act alone? Meltzer sifts through the evidence; weighs competing theories; separates what we know to be true with what's still—and perhaps forever—unproved or unprovable; and in the end, decodes the mystery, arriving at the most likely solution. Along the way we meet Freemasons, Rosicrucians, Nazi propagandists, and the real DB Cooper. A riveting adventure through the compelling world of mysteries and conspiracies.

Discusses Parks' role in the Montgomery NAACP, her refusal to give up her bus seat to

a white man, and the Montgomery bus boycott

We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Even as a child, Martin Luther King, Jr. was shocked by the terrible and unfair way African-American people were treated. When he grew up, he decided to do something about it--peacefully, with powerful words. He helped gather people together for nonviolent protests and marches, and he always spoke up about loving other human beings and doing what's right. He spoke about the dream of a kinder future, and bravely led the way toward racial equality in America. This lively, New York Times Bestselling biography series inspires kids to dream big, one great role model at a time. You'll want to collect each book.

Stuff You Should Know

Ordinary People Change the World: 22-Book Set

The Real Story of Rosa Parks for Kids

I Am Unstoppable

I Am Martin Luther King, Jr

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck

Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

Amelia Earhart was a woman of many "firsts." In 1932, she became the first woman to fly solo across the Atlantic Ocean. In 1935, she also became the first woman to fly across the Pacific. From her early years to her mysterious 1937 disappearance while attempting a flight around the world, readers will find Amelia Earhart's life a fascinating story.

Presents the life of the world-renowned German scientist, describing how his life-long

curiosity and ability to question accepted theories led him to develop his famous theory of relativity and win the Noble Prize for Physics.

Presents the life of the first female pilot to fly solo across the Atlantic Ocean, who mysteriously disappeared in 1937 while attempting to fly around the world.

Deeply influential cultural icon Oprah Winfrey is the twenty-fifth hero in this New York Times bestselling picture book biography series. This friendly, fun biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of an icon in a lively, conversational way that works well for the youngest nonfiction readers and that always includes the hero's childhood influences. At the back are an excellent timeline and photos. This book features critically acclaimed talk show host Oprah Winfrey, who used her struggles in childhood as motivation to become "Queen of All Media."

The littlest readers can learn about Jane Goodall in this board book version of the New York Times bestselling Ordinary People Change the World biography. This friendly, fun biography series focuses on the traits that made our heroes great—the traits that kids can aspire to in order to live heroically themselves. In this new board book format, the very youngest readers

can learn about one of America's icons in the series's signature lively, conversational style. The short text focuses on drawing inspiration from these iconic heroes, and includes an interactive element and factual tidbits that young kids will be able to connect with. This volume tells the story of Jane Goodall, the famous conservationist and chimpanzee expert. Now adapted for readers ages 12 and up, the award-winning biography that examines Parks's life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped

what we know about Parks and stripped away the power and substance of the movement. The *Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation. A graphic novel for children ages 6 to 9. Rosa Parks was the courageous thinker and leader known as the Mother of the Civil Rights Movement. Long before the Montgomery Bus Boycott made her famous, she was a social justice activist and organizer. In honor of her work, she received a Congressional Gold Medal and the Presidential Medal of Freedom. This is her story.

JFK Jr. was Lark. Amy Carter was Dynamo. Chelsea Clinton was Energy. Meet Shadow. 'Shadow' is the Secret Service codename for the First Daughter, Nora Hartson. And when she starts dating young White House lawyer Michael Garrick, he starts feeling like First Counsel. That's what happens to everyone who lives in her world. It's a world all of us have heard about, but none of us truly know - a world where your dad's the President, your close friends wear earpieces and carry guns and a world where everyone is watching. On a date, Nora and Michael see something they shouldn't. To protect her, he admits to something he shouldn't. And when the problem snowballs out of control, she may have to do something she shouldn't. The First Counsel. The President's daughter. You've never dated anyone like this.

The Culper Ring Trilogy 2

The Story of Rosa Parks

I Am Jackie Robinson

Adapted for Young People

I Am Rosa Parks

My Story

A big, beautifully written story of courage and friendship in the Deep South in the pre-Civil rights era. If you liked The Help, you'll love this. Set in 1950s Mississippi, this is the story of two young mothers, Hazel and Vida - one wealthy and white and the other poor and black - who have only two things in common: the devastating loss of their children, and a deep and abiding loathing for one another. Embittered and distrusting, Vida is harassed by Delphi's racist sheriff and haunted by the son she lost to the world. Hazel, too, has lost a son and can't keep a grip on her fractured life. After drunkenly crashing her car into a Christmas manger scene, Hazel is sedated and bedridden. Hazel's husband hires Vida to keep tabs on his unpredictable wife and to care for his sole surviving son. Forced to spend time together with no one else to rely on, the two women find they have more in common than they thought, and together they turn the town of Delphi on its head. This is the story of a town, a people and a culture on the verge of a great change that begins with small things . . . like an unexpected friendship. 'Miss Hazel and the Rosa Parks League is a substantial, thought-provoking must-read' June J. McInerney A

note from the author: Growing up in Mississippi during Jim Crow and the Civil Rights Era, I, like most privileged white kids my age, was contentedly ignorant of the horrors my state and my people had deliberately inflicted on African Americans. It was only when I moved up North to Minnesota as an adult that I became aware of another version of history in which all Southern whites were vicious racists and all blacks were innocent victims who needed saving. Needless to say, neither version of the story was the whole truth, and I spent ten years returning to Mississippi interviewing African Americans who had lived at the same time as me, in the same state, but in a different world. Uses Rosa Parks's life to teach young readers to always stand up for what is right.

Rosa Parks Takes the Bus uses a simple rhyming text and colorful illustrations to recreate what happened before and after the courageous, Rosa Parks refused to give her seat to a white man. It is written for children, ages 3 to 8 and is an important segue for discussions regarding bullying, unfairness, mistreatment and knowing when to speak up. Sometimes silence is just as powerful.

Known as the "mother of the civil rights movement," Rosa Parks took a small stance that made a big impact. Just by sitting in a bus seat, she inspired thousands of black Americans to boycott buses altogether! Readers will be introduced to Rosa Parks and the civil rights movement through the details of her biography and the great change brought about by her actions. Historical photographs engage readers further, transporting them back to one of the most troubling times in American history, and a helpful timeline summarizes important events in Rosa's life.
