Whether readers are looking to purchase a new computer or upgrade current systems, this guide can help make the right choice for both needs and budgets. It covers printers, monitors, hard drives, modems and more.

Question Reality is an arduous journey of re-organization of the mind of an anorexic, academic female in fight for her own physical and mental survival. In the process, she re-invents the wheel of ecology and science, in consideration of human interactions with the environment. Written in a synergistic, humorous dialogue between two graduate students--Terra the Biogeek and Buz the Geobum--who venture on a fictional road trip up the California Coastline. Part 1 of a two-part edition.
