In 1997, "Doctor Who" was canceled. For ten years the show would be off the air, spawning a host of tie-in products and unofficial material to satisfy the show's legions of fans. Here, the authors have applied their undisputed talent for research and documentation to one of the most fondly remembered eras of Britain's greatest science fiction show.

In Britain, panic has set in as the government realises the full implications of Year 2000. In the race against time, one company seems to promise all the technological answers... but what exactly are the methods and

All over the world, people are venting their fury at one another on social media. Dropping their friends, giving vent to their hatred, and everywhere behaving with incredible cruelty. Even Donna has found that her friend Hettie, with her seemingly perfect life and fancy house, has unfriended her. And now, all over the world, internet trolls are dying... As more and more people give in to this wave of bitterness and aggression, it's clear this is no simple case of modern living. This is unkindness as a plague. # **Doctor Who: Autonomy**

"The legend dates back to Roman times, at least: a great White Worm, as wide as a man, slithers out of the rocks of the Dark Peak Gap to take animals, sometimes even children, for its food. When the Doctor and Leela arrive in the wilds of Derbyshire, only to get caught up in the hunt for a missing girl, they soon discover that the legend of the Worm is very much alive, even now, in 1979. Worse still, it seems that the Doctor isn't the only renegade Time Lord on the trail of this deadly and mysterious Worm"--Container.

The Fourth Doctor appeared in 172 episodes of Doctor Who, played by Tom Baker between 1974 and 1981. Adding to the impressive range of

The Doctor and Sarah Jane travel back to Victorian times, only to find themselves thrown back even further in time only to face... the Gaze of the Medusa!

Recuperating after the trauma of his recent regeneration, the Doctor falls foul of a final booby-trap set by his arch-enemy, the Master. When he recovers, the disoriented Doctor looks in a mirror and sees the face of a stranger. He knows only that he is called "the Doctor" -- nothing more.
