Wee Sing America

The Statue of Liberty decides to roam the land and visit some of the people she has greeted upon their arrival in the United States, so she steps off her pedestal and takes a walk from sea to sea.
Using Boomwhackers, colorful tubes tuned to different musical notes, students learn to play ten classic themes by great composers. Includes teaching suggestions and reproducible visuals.
David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.
From the land of the free and the home of the brave, Americans are explorers and dreamers ... and writers of songs. Children will love to sing along with these classic songs from America's past while learning fascinating facts about our great country, from sea to shining sea. Book jacket.

Wee Sing and Play
Wee Sing More Bible Songs(CD 1□□□)
Provides music and complete lyrics for seventy-three classic children's songs and fingerplays.
Eva never really wanted to be a mother; certainly not the mother of the unlovable boy who murdered seven of his fellow high school students, a cafeteria worker and a teacher who tried to befriend him. Now, two years later, it is time for her to come to terms with marriage, career, family, parenthood and Kevin's horrific rampage in a series of startlingly direct correspondences with her absent husband, Franklyn. Uneasy with the sacrifices and social demotion of motherhood from the start, Eva fears that her alarming dislike for her own son may be responsible for driving him so nihilistically off the rails.
A spooky addition to the vast Wee Sing collection combines scary songs, terrifying sing-alongs, creepy games and fingerplays, and dreadful recipes to provide youngsters with an entertaining celebration of Halloween!
"Many of us can recall the targeting of South Asian, Arab, Muslim, and Sikh people in the wake of 9/11. We may be less aware, however, of the ongoing racism directed against these groups in the past decade and a half. In We Too Sing America, nationally renowned activist Deepa Iyer catalogs recent racial flashpoints, from the 2012 massacre at the Sikh gurdwara in Oak Creek, Wisconsin, to the violent opposition to the Islamic Center of Murfreesboro, Tennessee, and to the Park 51 Community Center in Lower Manhattan. Iyer asks whether hate crimes should be considered domestic terrorism and explores the role of the state in perpetuating racism through detentions, national registration programs, police profiling, and constant surveillance. She looks at topics including Islamophobia in the Bible Belt; the "Bermuda Triangle" of anti-immigrant, anti-Muslim hysteria; and the energy of new reform movements, including those of "undocumented and unafraid" youth and Black Lives Matter. In a book that reframes the discussion of race in America, a brilliant young activist provides ideas from the front lines of post-9/11 America. "--

Wee Sing for Halloween
A collection of silly and nonsense songs for children, that can be used for any occasion at school or at home, is included on an hour-long CD from the Wee Sing series and in a read-along paperback.
Includes songs as well as words, music & directions for finger plays & other body movements
A timely and beautiful look at America’s rich history of diversity, from Faith Ringgold, the Coretta Scott King and Caldecot Honor winning creator of Tar Beach From the Native Americans who first called this land their home, to the millions of people who have flocked to its shores ever since, America is a country rich in diversity. Some of our ancestors were driven by dreams and hope. Others came in chains, or were escaping poverty or persecution. No matter what brought them here, each person embodied a unique gift—their art and music, their determination and grit, their stories and their culture. And together they forever shaped the country we all call home. Vividly expressed in Faith Ringgold’s sumptuous colors and patterns, We Came to America is an ode to every American who came before us, and a tribute to each child who will carry its proud message of diversity into our nation’s future. PRAISE FOR WE CAME TO AMERICA: “As Americans wrestle with the moral and legal aspects of immigration, Ringgold offers a reminder of the country’s multifaceted lineage—and of the beauty to be discovered at cultural crossroads…. The simplicity of Ringgold’s text, combined with the captivating designs, makes this a compelling, must-have narrative for a wide audience.” –School Library Journal, starred review “Using a broad brush and folk style familiar from her story quilts, Ringgold pictures families of diverse heritage… her powerful voice emphasizes unity and mutual appreciation.” –Publishers Weekly “[A] timely look at the diverse makeup and backgrounds of the American people.” –Booklist
Singing along with family or friends is a joyful experience, whether in a small group or a large gathering. A kindred spirit and a warm fellowship are created by the blending of voices.

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller The Way I Am Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In The Way I Am, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye- opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, The Way I Am has been hailed as "fascinating," "compelling," and "candid."
Presents a selection of patriotic speeches, poems, song lyrics, and historical documents, including the Bill of Rights, the U.S. Constitution, the Pledge of Allegiance, and other writings emblematic of American pride and spirit.
