

Zipporah Wife Of Moses A Novel

In this book, we will discover how Zipporah (Moses's wife) saved Moses's life from a certain death and ensured he carried out the commission given him by God. Next to Mary (Jesus's mother), Zipporah was arguably one of the most important women in the Bible as will be revealed in chapter 2. "Bizarre" is typical of how biblical scholars describe the tale of Zipporah and her husband, Moses, especially the section in which God planned to kill Moses and Zipporah uses a blood ritual to successfully defend her husband and son. For mystery, mayhem, and sheer baffling weirdness, nothing else in the Bible quite compares with the story of Zipporah and the "bridegroom of blood." Craig S. Keener presents fascinating, wonderfully useful information on the historical and cultural backgrounds of nearly every verse in the New Testament.

In this book, we will discover how Zipporah (Moses's wife) saved Moses's life from a certain death and ensured he carried out the commission given him by God. Next to Mary (Jesus's mother), Zipporah was arguably one of the most important women in the Bible as will be revealed in chapter 2. "Bizarre" is typical of how biblical scholars describe the tale of Zipporah and her husband, Moses, especially the section in which God planned to kill Moses and Zipporah uses a blood ritual to successfully defend her husband and son. For mystery, mayhem, and sheer baffling weirdness, nothing else in the Bible quite compares with the story of Zipporah and the "bridegroom of blood." "This splendid reference describes every woman in Jewish and Christian scripture . . . monumental" (Library Journal). In recent decades, many biblical scholars have studied the holy text with a new focus on gender. *Women in Scripture* is a groundbreaking work that provides Jews, Christians, or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization a thorough look at every woman and group of women mentioned in the Bible, whether named or unnamed, well known or heretofore not known at all. They are remarkably varied—from prophets to prostitutes, military heroines to musicians, deacons to dancers, widows to wet nurses, rulers to slaves. There are familiar faces, such as Eve, Judith, and Mary, seen anew with the full benefit of the most up-to-date results of biblical scholarship. But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names. Combining rigorous research with engaging prose, these articles on women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books, and the New Testament will inform, delight, and challenge readers interested in the Bible, scholars and laypeople alike. Together, these collected histories create a volume that takes the study of women in the Bible to a new level.

This volume contains the papers presented at the 2017 meeting of the SBL Program Unit on Deuterocanonical and Cognate Literature in Boston, MA. The theme of the sessions was the interpretation of Torah in deuterocanonical literature. The contributions cover a variety of concepts and themes related to Torah and trace these through the Hebrew Bible, into the Septuagintal deuterocanonical books and other relevant and cognate literature.

From two leading Christian apologists, here is a fascinating survey of the most important Old and New Testament archaeological discoveries through the ages. Biblical archaeology has always stirred excitement among believers and curiosity among unbelievers. The evidence dug up with a spade can speak volumes--and serve as a powerful testimony of the reliability of Scripture. Norm Geisler and Joe Holden have put together an impressive array of finds that confirm the biblical peoples and events of ages past. In a user-friendly format written in popular style, they... examine the latest finds and explain their significance include dozens of photographs provide an instructive chart of artifacts (along with fast facts) sample a variety of finds--papyri, inscriptions, scrolls, ossuaries, and more If readers are looking for just one book to cover this topic both concisely and comprehensively, this is it!

With this careful, nuanced exegetical volume in the New Studies in Biblical Theology, J. Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ.

Reflections on Joseph and Moses

Tractates Ševu'ot and 'Avodah Zarah

This is volume 13 of the edition of the complete Jerusalem Talmud. Within the Fourth Order M ("damages"), these two tractates deal with various types of oaths and their consequences (Š laws pertaining to Jews living amongst gentiles, including regulations about the interaction between Jews and "idolators" (?Avodah Zarah).

All the women of the Bible offers a rich biographical perspective on every female figure in scripture including the famous, the little-known, and even the unnamed. In more than 300 engaging and colorful portraits, Edith Deen brings alive the saints and sorceresses, queens and servants, mothers and daughters, wives and widows whose profound influence is felt throughout the Bible. "You can trace light and darkness in the Bible by the women themselves," she writes. "Hannah, praying for Samuel, gave birth to a son who became the first great Hebrew prophet. And, of course, there is the mother of Jesus. On the other hand, Jezebel and Herodias were vile influences, the first tearing apart the northern kingdom of Israel, the second causing John the Baptist to be beheaded." Combining thorough detail with a lively and dramatic narrative, All of the Women of the Bible portrays the women behind the Biblical stories and shows how, in their human struggles and triumphs, they are much like the women of today. With each major biography identified by Bible chapter and verse and prefaced by a key passage of scripture, this is an ideal resource for teachers, Bible students, and writers, as well as anyone who wants to learn what it was really like to be a woman in Bible times.

In this eye-opening book, Ilana Pardes explores the tense dialogue between dominant patriarchal discourses of the Bible and counter female voices. Pardes studies women's plots and subplots and pursuits, uncovering the diverse and at times conflicting figurations of femininity in biblical texts. She also sketches the ways in which antipatriarchal elements intermingle with other repressed elements in the Bible: polytheistic traditions, skeptical voices, and erotic longings.

This book has been considered by academicians and scholars of great significance and value to

literature. This forms a part of the knowledge base for future generations. So that the book forgotten we have represented this book in a print format as the same form as it was originally published. Hence any marks or annotations seen are left intentionally to preserve its true nature. Inspiring Insights on the Torah Portion from the Lubavitcher Rebbe

Zipporah, Wife of Moses

28 Weeks of Inspiring Readings Plus Guided Life Maps

A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders.

"Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope."—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it's needed most for Christ's glory and the common good. But there's another story unfolding too—if you know where to look. In *Gospelbound*, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven't heard the whole story. And that's good news.

"Nearly all the material in this volume is taken from lectures Rabbi Soloveitchik delivered in the mid-1970s"—ECIP introduction.

Swindoll presents the Bible's real Moses, showing the principles that guided his life and service to God and explaining how readers can apply them daily.

More than three thousand years ago, a black child was found on the shore of the Red Sea. She was given the name Zipporah, 'the bird'. But because of the colour of her skin, her fate was sealed: in the tribal lands where she lived, no man would want her as a wife. But one day, as she was drawing water at a well, Zipporah met a man like no other she'd met before. An outcast like herself, his name was Moses and he was a fugitive from Egypt. A passionate lover and a generous wife, Zipporah the Black, the stranger, the non-Jew, was to share Moses' destiny. Thanks to her, he would forget his fears and hear the message of God, bequeathing to mankind laws that, even today, protect the weak against the strong. But Zipporah's love for Moses would condemn her - for among the Hebrews of the Exodus her status as a black woman was to have catastrophic consequences... A forgotten protagonist of the Old Testament, Zipporah was the embodiment of intelligence and love. Although the weakest of the weak, she was the first to understand the full potential of the role given to Moses, her emotional bravery and strength in adversity making her, like Sarah, an astonishing modern heroine: a woman for her - and our - troubled times.

The Conflict of the Ages Illustrated in the Lives of Holy Men of Old

The Early Reception of the Torah

Zipporah is rescued from the banks of the Red Sea. She won't marry Moses until he confronts Pharaoh to free his people.

Retells the story of Moses, from his birth and trip in a boat of bulrushes to his bringing of the Ten Commandments down from Mount Sinai, with beautiful illustrations that capture one of the Bible's most inspirational stories.

In this remarkable book, Andries Lievaart explains that the story of the Blood Husband, as mentioned in Exodus 4, can only be understood by studying the undiscovered forty years Moses spent in the land of Midian. No other researcher of the Bible has succeeded in expressing in a clear way what happened in that period in the life of Moses, in the life of his wife Zipporah and in the life of father-in-law Jethro. The reader is, so to speak, taken into the lives of these three protagonists and will be astonished time after time. The heart of many Christians will beat faster when reading the undiscovered biblical story about the Blood Husband.

A respected archaeologist's engaging, revealing take on ancient Israel. A thorough yet readable examination of a much-debated subject -- of relevance also to the current Israeli-Palestinian situation -- this book is sure to reinvigorate discussion of the origins of ancient Israel.

Women in Scripture

A Novel

Challenging the public's negative perception of the Jewish religion's views on love, Naf Rothenberg shows his readers the fundamental ways in which love forms the foundation of Scriptural meditations on wisdom and achieving nearness with God. Rather than seeking to repress love as a significant part of human interaction, Rothenberg examines how Scripture celebrates love -- particularly love between men and women -- and uses this celebration to deepen our understanding of the love of people for their fellow man and God's love for people.

"The complete story of the man Moses, history's premier prophet, lawgiver and religious heroic figure, cannot be told without an understanding of the women in his life. The book tells us that Moses was born to Yocheved, daughter of Levi, third son of the Hebrew patriarch Jacob. He was watched over by his sister, Miriam, drawn from the Nile waters by Batia, daughter of the Egyptian Pharaoh, raised as Egyptian royalty, and married to Zipporah, daughter of the high priest of Midian." "But there is more depth to these women's lives than what appears in the sparse biblical text, and it is the Jewish biblical commentaries who provide these layered nuances. This book draws upon these sources and recounts how the Hebrew midwives resisted carnal intimidation by the Egyptian Pharaoh; what occurred between Moses, Zipporah, and the angel of death that night in the desert inn; why Moses abandoned Zipporah; how Miriam championed her sister-in-law, Zipporah, and was punished for it; the identity of Moses' mysterious Kushite Woman." "Moses' Women weaves these biblical narratives and the commentaries into a chronicle of the women who reared Moses, brought

children, advised him, and intervened to save him time and again, when his very life was trembling in the balance."--BOOK JACKET.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not times crackpot!), original and musing book reviews of "Zipporah, Wife of Moses: A Novel." Don't say we didn't warn you: these reviews are known to shock with their unconventional or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

In *Jethro and the Jews*, Beatrice J. W. Lawrence explores rabbinic texts interpreting the identities and roles of Moses' father-in-law, revealing him to be a locus of anxiety concerning conversion, community boundaries, intermarriage, and non-Jews.

Wisdom of Love

Life Map Devotional for Men

In this volume Thomas Dozeman presents a fresh translation of the Hebrew text of Exodus along with a careful, critical interpretation of its central themes, literary structure, and history of composition. He explores two related themes in the formation of the book of Exodus: the identity of Yahweh, the God of Israel, and the authority of Moses, the leader of the Israelite people. / Dozeman clarifies the multiple literary genres within the text, identifies only two separate authors in the book's composition, and highlights the rich insights that arise from the comparative study of the ancient Near Eastern literary tradition. Also treating the influence of Exodus in the history of Jewish and Christian interpretation, Dozeman's comprehensive commentary will be welcomed by Old Testament scholars.

A collection of fully-revised and new essays that explore the richness of Jewish women's history.

Not only is the Bible full of strong women... it is full of strong black women. While it is often underplayed by mainstream Christianity, the majority of the Bible took place in Africa, and involved many women of color. In this study we'll look at the lives and lineages of the following women: + Hagar - Abraham's Egyptian wife. + Tamar - The Canaanite mother of Judah's twin sons. + Miriam - The older sister of Moses + Zipporah - Moses' Midianite wife. + Bathsheba - King Solomon's Canaanite mother. + Jezebel - King Ahab's wife from the line of Ham. + The Queen of Sheba - The Ethiopia queen that came to visit King Solomon. + Mary Magdalene - The woman with seven devils cast out by Christ. The presence of these women in the Bible is often a sticking point for many because most of them descended from the line of Ham. Those that didn't come from the line of Ham were Hebrews, which were often mistaken as descendants of Ham. If you've never done a study on who these women are, which lines they come from, and the roles they play in history,

then make sure you grab this book.

Zipporah stood motionless. Her father's words whirled through her mind, and her heart surged with anger and pain. How could he give her to Moses a foreigner, a man she didn't trust?

Business leaders say, "Plan your work, work your plan." Guys, why not apply that idea to your Christian life? After all, "The noble make noble plans, and by noble deeds they stand" (Isaiah 32:8 niv). The Life Map Devotional for Men offers biblical wisdom so you can become more of the man God wants you to be. Through 28 weeks and a total of 140 entries, you will be encouraged to improve your knowledge of the faith, your prayer and Bible time, your finances, job, health and wellness, and more. With insightful devotional thoughts for each weekday and an interactive "Life Map" for each weekend, this book will guide you into a more intentional life--one that both honors God and benefits you and others for years to come. Why not make this your best year ever? Make noble plans, do noble deeds, and succeed in every major area of life!

From the internationally bestselling author of Sarah comes the riveting story of the remarkable woman who walked beside Moses. Although she is a Cushite by birth—one of the people of the lands to the south—Zipporah grew up as the beloved daughter of Jethro, high priest and sage of the Midianites. But the color of Zipporah's skin sets her apart, making her an outsider to the men of her adopted tribe, who do not want her as a wife. Then one day while drawing water from a well, she meets a handsome young stranger. Like her, he is an outsider. A Hebrew raised in the house of the Egyptian Pharaoh, Moses is a fugitive, forced to flee his homeland. Zipporah realizes that this man will be the husband and partner she never thought she would have. Moses wants nothing more than a peaceful life with the Midianites, but Zipporah won't let Moses forget his past—or turn away from his true destiny. She refuses to marry him until he returns to Egypt to free his people. When God reveals himself to Moses in a burning bush, his words echo Zipporah's, and Moses returns to Egypt with his passionate and generous wife by his side. A woman ahead of her time, Zipporah leaps from the pages of this remarkable novel. Bold, independent, and a true survivor, she is a captivating heroine, and her world of deserts, temples, and ancient wonders is a fitting backdrop to an epic tale.

I can't be with those who throw stones at women and children. It's beyond me. Beyond my love for Ezra. Beyond my respect for God. In 397 BC, in Susa, the opulent capital of the Persian empire, where the Jews are living in exile, young Lilah is destined for a happy life: she is due to marry Antinoes, a great Persian warrior well known at the king's court. But her beloved brother Ezra, with whom she has been close since childhood, is opposed to this marriage with a foreigner. If Lilah insists, she will have to renounce Ezra, and that is something she cannot do, for she senses that he has been chosen by God to lead the exiled Jews to Jerusalem and, after centuries of displacement, revive the laws of Moses: laws which promote justice and give human life a meaning. Abandoning the promise of a golden future, Lilah urges her brother to leave for Jerusalem and gives him new hope that a return to the Promised Land is possible. But Ezra, blinded by faith, orders the rejection of all foreign wives. At the risk of losing the one person she still has left in her life, Lilah opposes her brother's fanaticism, thereby ensuring the survival of the women and children condemned to leave the city. But her opposition comes at great personal cost . . . Lilah concludes Marek Halter's trilogy about Biblical heroines. Sarah, Abraham's barren wife, brought her personal destiny to bear in the creation of a new religion. Zipporah, Moses wife, fought against racism and exclusion. By speaking out against religious extremism, of which women are the first victims, Lilah proves herself a champion of freedom.

Focuses on the life of Zipporah, the adopted Ethiopian daughter of Jethro, high priest of the Midianites, who became the consort of Moses and who played a vital role in supporting Moses in returning to Egypt to lead the Israelite slaves to freedom.

The Blood Husband

Vision and Leadership

A Man of Selfless Dedication

Translated and adapted by Rabbi Moshe Wisnefsky, and produced by Chabad House Publications of California, Daily Wisdom summarizes each daily Torah reading and presents an original insight based on the Rebbes Sabbath and Holiday talks. The Rebbe saw the weekly Torah portion as an inexhaustible source of new ideas, insight into current issues, and profound relevance for daily life. He urged his followers, as well as everyone who came into contact with him, to seek daily inspiration from studying the Torah. Daily Wisdoms 378 daily lessons, are a taste of the Rebbes vast and deep teachings, filled with love for G-d, Torah and the Jewish people, pragmatic optimism, and the conviction that evil and negativity will disappear when we learn to emphasize goodness and kindness

These ideas are woven together throughout the book, resulting in a precious daily resource that will enrich and elevate the lives of all readers.

An unprecedented portrait of Moses's inner world and perplexing character, by a distinguished biblical scholar No figure looms larger in Jewish culture than Moses, and few have stories more enigmatic. Avivah Gottlieb Zornberg, acclaimed for her many books on Jewish thought, turns her attention to Moses in this remarkably rich, evocative book. Drawing on a broad range of sources—literary as well as psychoanalytic, a wealth of classical Jewish texts alongside George Eliot, W. G. Sebald, and Werner Herzog—Zornberg offers a vivid and original portrait of the biblical Moses. Moses's vexing personality, his uncertain origins, and his turbulent relations with his own people are acutely explored by Zornberg, who sees this story, told and retold, as crucial not only to the biblical past but also to the future of Jewish history.

Born into a world of luxury in the ancient Sumerian city of Ur, Sarah flees the arranged marriage planned by her father, a decision that leads to an encounter with Abram, a member of a nomadic tribe of outsiders, with whom she is reunited many years later in her exalted position as high priestess of the goddess Ishtar. Reader's Guide included. Reprint. 75,000 first printing.
